

CO₂ PERFORMANCE LADDER

Overview NACE codes (Rev. 2, 2008)

All CO₂ Awareness Certificates indicate the business activities of the certified company. These business activities are indicated by NACE codes.

The NACE codes are managed by the European Commission. It is a statistical classification of economic activities in the European community. NACE stands for 'Nomenclature statistique des Activités économiques dans la Communauté Européenne' (Statistical Classification of Economic Activities in the European Community).

See the Eurostat RAMON (Reference and Management of Nomenclatures) [website](#) for the original list and for more information.
